Welcome to Shinshinotsu

Overview

Shinshinotsu, with its population of 3,350, is a rice-farming village located in an agricultural belt. Visitors to Shinotsu Park and its environs on the shores of Lake Shinotsu can enjoy a golf course, park-golf course and hot-spring bathing facility. Easy access in the form of a 1-hour drive from Sapporo, and abundant natural surroundings ensure that Shinshinotsu is a popular leisure spot close at hand.

ACCESS

- New Chitose Airport – Shinshinotsu…… 1.5 hours
- Sapporo – Shinshinotsu…… 50 minutes

Accommodation

Enjoy views of the gleaming surface of Lake Shinotsu and the vast Ishikari Plain, as the soft light pours through the glass roof of the Tappu no Yu hot spring. The accommodation facility and large-scale training room provide the perfect place for people to connect amid a warm and friendly atmosphere.

Activity

18-hole, par 72

Imagine playing a nice shot amid this magnificent location on the banks of the Ishikari River. Well-maintained, wide, flat fairways mean that even beginners can play in comfort and with peace of mind. A varied course layout that makes the most of the beautiful scenery ensures that an enjoyable round can be had by all – from novice to more experienced golfers.

Camping without the hassle

A convenient camping plan is available that makes preparing the equipment and packing-up afterwards unnecessary! Just turn up and enjoy camping.
